

## PRESS RELEASE

1 July 2022

### Petropavlovsk PLC

#### Resignation of Auditor

Petropavlovsk PLC ("Petropavlovsk" or the "Company" and, together with its subsidiaries, the "Group") has been informed of the resignation of MHA MacIntyre Hudson ("MHA"), the UK member of Baker Tilly International, as the Company's external auditor. MHA had served as external auditor since September 2021.

As announced on 7 June 2022, the Board of Directors extended the Company's accounting reference date from 31 December 2021 to 28 February 2022 in order to give the Company more time to allow the completion of its audit and publish its annual report and accounts for the period ended 28 February 2022. Nevertheless, the Board at that time considered it unlikely that the Company would be able to complete the audit save in the case of a material change in circumstances. This position remains unchanged.

A copy of MHA's statement of reasons relating to its resignation will be sent to shareholders, as required by Section 520(2) of the Companies Act 2006.

#### Cautionary note on forward-looking statements

*This release may include statements that are, or may be deemed to be, "forward-looking statements". These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "plans", "projects", "anticipates", "expects", "intends", "may", "will" or "should" or, in each case, their negative or other variations or comparable terminology, or by discussions of strategy, plans, objectives, goals, future events or intentions. These forward looking statements include all matters that are not historical facts. They*

*appear in a number of places throughout this release and include, but are not limited to, statements regarding the Group's intentions, beliefs or current expectations concerning, among other things, the future price of gold, the Group's results of operations, financial position, liquidity, prospects, growth, estimation of mineral reserves and resources and strategies, and exchange rates and the expectations of the industry. By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances [outside the control of the Group. Forward-looking statements are not guarantees of future performance and the development of the markets and the industry in which the Group operates may differ materially from those described in, or suggested by, any forward- looking statements contained in this release. In addition, even if the development of the markets and the industry in which the Group operates are consistent with the forward looking statements contained in this release, those developments may not be indicative of developments in subsequent periods. A number of factors could cause results and/or developments to differ materially from those expressed or implied by the forward-looking statements including, without limitation, general economic and business conditions, demand, supply and prices for gold and other long-term commodity price assumptions (and their effect on the timing and feasibility of future projects and developments), trends in the gold mining industry and conditions of the international gold markets, competition, actions and activities of governmental authorities (including changes in laws, regulations or taxation), currency fluctuations (including as between the US Dollar and Rouble), the Group's ability to recover its reserves or develop new reserves, changes in its business strategy, any litigation, and political and economic uncertainty. Except as required by applicable law, rule or regulation (including the Listing and Disclosure Guidance and Transparency Rules), the Group does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Past performance cannot be relied on as a guide to future performance. The content of websites referred to in this announcement does not form part of this announcement.*
